2. Each Club is allowed to participate with one or more choreographic teams (no more than three of them). Each choreography cannot last more than 3' e 30" as for team exercises for free gymnastic and/or exercises with small official and unofficial apparatus; more than 5' as for exercises with particularly cumbersome and/or difficult to carry official and unofficial apparatus. The European Festival is reserved to teams of artistic and rhythmic gymnastic, general gymnastic in all its forms (aerobic, jazzercise, etc.), twirling, trampolining, modern and contemporary dance, flamenco and sports dance. The above mentioned time limits include entering and leaving the gym floor.
3. Each team must consist of at least 2 athletes.
4. Teams can consist of both female and male athletes.
5. Athletes can also wear outfits different from leotards. Those outfits, however, must be such as that the evaluation of performances is possible.
6. Any kind of music accompaniment, including singing, is allowed.
7. The use of small or big official or experimental apparatus is allowed. This must be provided by Clubs in agreement with the Organisation.
8. Clubs can be chosen to perform their choreographies either:

9. Each club shall hand in, within 30 minutes before the event starts, a cd with the sound track chosen for the choreography. This cd must be labelled with the name of both the Club and the choreography. A different cd must correspond to a different choreography.
